COMPANY OVERVIEW

Frontline provides the human execution layer for mission-critical operations in complex environments. We are a force multiplier to Prime contractors and U.S. Government agencies, including the Department of War, Department of State, and Department of Homeland Security.

CORE CAPABILITIES

- **Field Deployment & Advisory Services.** Deployment of technical and operations advisors who integrate directly with mission elements.
- **Project Stand-Up & Staffing.** Start-up, surge, and transition support and field systems establishment and management.
- **Training & Mission Support.** Pre-deployment and field-based training for mission elements, including U.S. military personnel.
- **Influence Operations.** Context analysis, relationship management, and resource mapping to guide decision-making and resource allocation.
- **Assessment, Monitoring & Evaluation.** Real-time performance monitoring, verification, and analysis for adaptive execution.

SELECT PAST PERFORMANCE

- **Iraq \$360M Counterinsurgency Operation.** Embedded with U.S. military to revitalize infrastructure, essential services, and create jobs.
- **Afghanistan \$189M Governance Program.** Advanced U.S. diplomacy through technical assistance, training, and capacity building.
- **Ukraine \$107M Humanitarian Response.** Directed U.S.-funded emergency aid distributions through local NGO partners.
- **Somalia \$89M Stabilization Initiative.** Supported U.S.-funded programs to counter extremism and build governance capabilities.
- **Sri Lanka \$19M Reconciliation Program.** Led U.S.-funded efforts to rebuild social cohesion in communities affected by conflict.

KEY DIFFERENTIATORS

- **20+ years supporting complex U.S. Government operations.**
- **200+ technical, operational, logistics, and training experts globally.**
- **Existing networks and mission ready partners in 30+ countries.**
- **Cultural depth, including 20+ languages.**
